THE POST IMAGE RESEARCH CLUSTER

Milieux Institute for Arts, Culture and Technology at Concordia University

1515 St Catherine W, Montreal, QC, CA H3G 1S7 // post.image@concordia.ca // <http://postimage.hexagram.ca/>

In order to accurately represent each member on our website, we require the following information:

// A bio or artist statement - send with application form

// An image of your work (JPEG, preferably 150 dpi) - send with application form

// A link to your professional website: _____

Member Contribution:

In addition to the rights and privileges of membership, members are expected to actively engage with the cluster by initiating collaborations, offering activities available to all cluster members, and care for the equipment. Members are also expected to keep all common spaces clean.

I am interested in contributing by:

- Giving a thematic presentation or artist talk
- Hosting a free workshop of interest to cluster members
- Attend all cluster meetings and contribute to administrative duties
- Other: _____

I would like to join the cluster because:

- Student scholarships
- Interested in research being conducted by other cluster members
- Want to be part of a creative community involving knowledge exchange
- Use of cluster equipment
- Other: _____

Other cluster of which you are a member (if any): _____

Member of multiple clusters must declare a Primary Cluster Affiliation. Will Post Image be your Primary Cluster?

- Yes No

*Send completed form to post.image@concordia.ca

The cluster retains the right of refusal of any application that does not conform with the cluster mandate.
